QUESTIONNAIRE

To assist the Board of Commissioners in making appointments to the Planning Board, please respond briefly to the following questions. There is no right or wrong answer. Your responses will provide a framework for discussion with the Mayor and Commissioners.

Overview: The Planning Board consists of nine (9) members who reside within the corporate limits and at least two (2) ETJ members who are appointed by the Mayor and Commissioners. The Planning Board acts as an advisory body to the Board of Commissioners on all matters related to the growth and development of Huntersville. The Planning Board considers the facts relative to rezoning applications, new subdivisions and site plans, and ordinance amendments, among other issues. The Board formulates a recommendation on each matter, which in turn goes to the Commissioners for final action.

1. Please describe the areas of community service in which you have participated, in Huntersville or elsewhere.

No prior community service due to work & family obligations but now have time and energy to devote

2. Briefly describe your vision for Huntersville in the next 10 to 15 years. What factors during that time will shape the growth of our community?

Safe, clean community that will attract business & residence, with excellent schools shopping & recreational opportunities for all.

3. What obstacles do you see to achieving this vision?

Economy - High taxes -

4. What special opportunities could be used to achieve your vision?

Community awareness

5. With rapid development occurring in Huntersville and the surrounding area, the character and growth patterns of our community are changing rapidly. Please discuss briefly any problems that you perceive, anything that you would like to change, and/or anything you find particularly appropriate to Huntersville.

Huntersville seems to be on the right track for future growth & development and I would welcome the opportunity to help oversee and guide this process

Other comments:

I have always been interested in serving the local community but until recently have not had the time to commit. Now that the kids are grown I feel I owe this to myself & my neighborhood
