## QUESTIONNAIRE

To assist the Board of Commissioners in making appointments to the Land Development Ordinances Advisory Board ("Advisory Board"), please respond briefly to the following questions. There is no right or wrong answer. Your responses will provide a framework for discussion with the Mayor and Commissioners.

**Overview:** The Advisory Board consists of eight (8) voting members appointed by the Board of Commissioners. The Regular membership shall consist of six (6) members who reside within the corporate limits, or extraterritorial zoning jurisdiction ("ETJ").

1. Please describe the areas of community service in which you have participated, in Huntersville or elsewhere.

In Atlanta I was a co founder of Premier Activities Center which ran Fund Raising for Breast Cancer awareness. I was also involved in Hands Across Atlanta. I was also a member of our Homeowners association.

2. Briefly describe your vision for Huntersville in the next 10 to 15 years. What factors during that time will shape the growth of our community?

I envision a strong community that is beautiful yet practical. A city where kids can have fun as well as feel safe playing outside. A suburban town that people throughout the southeast model their hometowns after.

3. With rapid development occurring in Huntersville and the surrounding area, the character and growth patterns of our community are changing rapidly. Please discuss briefly any problems that you perceive, anything that you would like to change, and/or anything you find particularly appropriate to Huntersville.

Traffic, traffic and more traffic. Our roads cannot support the growth that we are having. Our Downtown area currently is a mess and our parks and greenways need more money and time devoted to them.
