QUESTIONNAIRE

To assist the Board of Commissioners in making appointments to the Planning Board, please respond briefly to the following questions. There is no right or wrong answer. Your responses will provide a framework for discussion with the Mayor and Commissioners.

Overview: The Planning Board consists of nine (9) members who reside within the corporate limits and at least two (2) ETJ members who are appointed by the Mayor and Commissioners. The Planning Board acts as an advisory body to the Board of Commissioners on all matters related to the growth and development of Huntersville. The Planning Board considers the facts relative to rezoning applications, new subdivisions and site plans, and ordinance amendments, among other issues. The Board formulates a recommendation on each matter, which in turn goes to the Commissioners for final action.

1. Please describe the areas of community service in which you have participated, in Huntersville or elsewhere.

As noted above, I have volunteered to Angels and sparrows. I have always been
interested in helping those that have difficulty helping themselves. I am about to begin
volunteering with Habitat for Humanity through my church.

2. Briefly describe your vision for Huntersville in the next 10 to 15 years. What factors during that time will shape the growth of our community?

Build upon many of the smart decisions that have been made such as the many
partnerships the parks and recreation commission have formed which has produced
excellent locations for our town. Be proactive for growth. The reconfiguring of Sam
Furr is a prime example.

3. What obstacles do you see to achieving this vision?

The acceptance of the idea that Huntersville WILL grow to 90,000+ population

4. What special opportunities could be used to achieve your vision?

Be proactive for growth - implement zoning to allow for enough population so it will not
overwhelm city services, congest our roads.

5. With rapid development occurring in Huntersville and the surrounding area, the character and growth patterns of our community are changing rapidly. Please discuss briefly any problems that you perceive, anything that you would like to change, and/or anything you find particularly appropriate to Huntersville.

Expand and develop a character for downtown,
