## QUESTIONNAIRE

To assist the Board of Commissioners in making appointments to the Land Development Ordinances Advisory Board ("Advisory Board"), please respond briefly to the following questions. There is no right or wrong answer. Your responses will provide a framework for discussion with the Mayor and Commissioners.

**Overview:** The Advisory Board consists of eight (8) voting members appointed by the Board of Commissioners. The Regular membership shall consist of six (6) members who reside within the corporate limits, or extraterritorial zoning jurisdiction ("ETJ").

1. Please describe the areas of community service in which you have participated, in Huntersville or elsewhere.

I served for three years on the Wynfield Homeowners Association. I took the Huntersville 101 Class and also the Huntersville Police Citizen Academy.

2. Briefly describe your vision for Huntersville in the next 10 to 15 years. What factors during that time will shape the growth of our community?

Huntersville is a growing and dynamic community. Properly balancing the growth of business that creates jobs locally and residential development will be key to maintaining our vibrancy. I would also like to see a greater focus on downtown Huntersville. Creating a sense of identity surrounding that area will help foster greater pride in our community.

3. With rapid development occurring in Huntersville and the surrounding area, the character and growth patterns of our community are changing rapidly. Please discuss briefly any problems that you perceive, anything that you would like to change, and/or anything you find particularly appropriate to Huntersville.

The biggest opportunities I see in Huntersville is our downtown. I would like to see more restaurants, shops, and other entertainment venues there. I think it could become a go to place the same way Birkdale is.
