**SUBJECT: WILLINGNESS TO SERVE
BLACKWOOD KNOLL SUBDIVISION
14301 BLACK FARMS ROAD, HUNTERSVILLE NC**

A Willingness to Serve study was completed and the following has been determined:

The subject property is within the intended service area of Charlotte Water (CLTWater). An analysis of the sanitary sewer associated with the proposed project determined that, pending the completion of Charlotte Water Project# 823-11-560, there will be sufficient capacity in Charlotte Water's sanitary sewer system to accommodate the proposed wastewater flows. The sanitary sewer from this project will flow to the *Rocky River Waste Water Treatment Plant; NPDES permit number NC0036269*, located in Cabarrus County, for treatment. Please note that the availability of flow is subject to change and that this willingness to serve review in no way guarantees future capacity.

The water quality to the subject project is regulated by the State Drinking Water Act Amendments of 1986 and, The Water Supply Management Plan, PWS ID # 0160010, on file with the Public Water Supply Section of NC DENR. However, Charlotte Water cannot guarantee a constant pressure or quality of flow.

Connection to the Charlotte Water and sewer system is accepted on a first come, first served basis, pending review and approval through the Charlotte Water Capacity Assurance Program and Flow Acceptance approval from the Water and Sewer Authority of Cabarrus County.

The applicant should understand that this letter is not an authorization to construct private water or sewer systems, as the appropriate local or State permits are required prior to construction. *This willingness to serve is valid for (1) year from the date of issue.* If you have any questions, please do not hesitate to contact me at (704) 432-5801.

Sincerely,

A handwritten signature in blue ink that reads "Barbara Gross".
