

## TA #16-08 Amend Article 8.26.4 Exemptions to Site Lighting Requirements

### PART 1: DESCRIPTION

Text Amendment, TA #16-08, is a request by the Town of Huntersville to amend Article 8.26.4 Exemptions to Site Lighting Requirements of the Huntersville Zoning Ordinance (see Attachment A, Text Amendment Application and Attachment B, Proposed Ordinance) to exempt the lighting of public civic monuments from lighting standards.

### PART 2: BACKGROUND

Section 8.26 of the Town of Huntersville Zoning Ordinance provides site lighting be orientated downward unless otherwise exempted. Article 8.26.4 contains a list of circumstances that shall be exempt from the lighting requirements of Article 8.26. The exemptions are as followed:

- A. Emergency lighting, used by police, firefighting, or medical personnel, or at their direction, is exempt for as long as the emergency exists.
- B. Underwater lighting used for the illumination of swimming pools and fountains.
- C. Lighting used for nighttime street construction and repair.
- D. The lighting of official government flags shall not be subject to these lighting standards. Such lighting shall utilize a narrow cone beam of light of no more than 150 watts.
- E. Seasonal decoration.

As the Town moves forward with plans for Veteran's Park (located between Main Street and Maxwell Avenue), staff found conflict with the Zoning Ordinance lighting requirements and the proposed up-lighting for the Park's monument. The proposed text amendment would add lighting of public civic monuments to the list of exemptions, similar to the lighting of official government flags (see example image below).

### **PART 3: RELEVANT SECTIONS OF THE HUNTERSVILLE 2030 COMMUNITY PLAN AND APPLICABLE LONG RANGE PLANS**

The following are examples of relevant policies from the 2030 Huntersville Community Plan that may be incorporated into the Board's statement of consistency for approval or denial of the request.

**Policy E-4: Reduce Outdoor Lighting** – Support reduction in outdoor lighting to lowest possible levels to maintain public safety, while limiting glare, habitat impacts and loss of privacy.

**Policy CD-6: Architecture and Place Making** – Consistent with Zoning and Subdivision Ordinance (as well as "Town of Huntersville Design Manual") maintain high design standards for development.

**Policy DT-2: Architectural Design Standards** – Promote high quality architectural design standards for new development and redevelopment projects in the Downtown.

**Policy DT-6: Parks and Recreation** – Continue to enhance parks and recreation opportunities in Downtown, consistent with the "Downtown Master Plan", "East Huntersville Area Development Plan", "Parks & Recreation Master Plan" and "Greenway and Bike Master Plan"

**Policy PF-1: Public Facilities** – Continue to assess public facility needs to meet demand generated by existing, as well as future growth and development.

### **PART 4: STAFF RECOMMENDATION**

Staff recommends amending Article 8.26.4, Exemptions to Site Lighting Requirements. The recommendation is based on:

Consistency with policies of the Huntersville Community Plan listed above.

By exempting the lighting of public civic monuments from lighting regulations but requiring that such lighting utilize a narrow cone beam no more than 150 watts the purpose of the lighting regulation is still secured. Staff finds that lighting public civic monuments in the same fashion as official government flags will not significantly affect the night sky, nor pose impacts to public safety.

### **PART 5: PUBLIC HEARING**

The Public Hearing will be held on November 7, 2016.

### **PART 6: PLANNING BOARD RECOMMENDATION**

The Planning Board is scheduled to review this text amendment on November 15, 2016.
